Addressing something Regarding to my Character, Seven

Hi everyone, this is not a fanfiction and I know I did put it under the *Stranger Things* fanfiction because I do want the fandom to see this because I just got three guest reviews on my stories regarding the character Seven. Apparently, I am ripping off a user by the name of iAmCC and the character Seven was originally hers. I don't know if this is true or not because I haven't seen her stories. Another guest claims that I am the reason why she left the site to begin with because she was bullied off. To which I say is not true what so ever, being a victim of bullying myself, I do not tolerate people bullying other people. Another person bashed me saying that my FIRST fanfiction was terrible (and once again that I'm ripping iAmCC's character). Which is the nicest review honestly. Just to let everyone know I paste my fanfics from google docs to this website, and sometimes they don't always paste every single word in here. I don't always notice when a word is missing.

Back to the main point, despite the hate, even if I did rip off a character(like I said, I didn't know iAmCC existed), there is something that these haters need to understand.

1. All the reviews said Seven/Savannah, which if anyone read my Christmas story (or even *The First Day Of School*) you would know that one, I spelled it "Sevannah", and two, "Sevannah" is just her school name because at the time I wrote this, the kids didn't know Sev's real name. In my Christmas Story, it is revealed (Spoiler Alert), that her real name is Olivia.

2. One Review said that I am plagiarizing, which is completely wrong because not only did I not know Seven was already a character, but the definition of plagiarizing(from google), is to "take(the work or an idea of someone else) and pass it off as one's own)" I would have had to completely copy the stories that she made, paste them and say this is my work. As I mention previously, I made my fanfics on google docs.

3. THIS IS FANFICTION! I've seen several stories of multiple OC's

from different people and they are all DIFFERENT! I'm sure there are several people out there who have made Seven variations and honestly, that's fine by me. I love reading stories and seeing how different they are from mine.

So to all the haters who are saying I'm copying iAmCC, I'm innocent, and if this is your attempted to stop me from writing fanfics for *Stranger Things* I will let you know right now that I'm not stopping. I will keep writing fanfics for the Series until the day I die. With all that being said, I hope you all have a good day.

With lots of love,

Lily
